About us

Connecting Communities is our shared plan to create a borough that feels like home for every single person who lives here, because they feel included, supported and safe.

We want to unlock the collective power of Waltham Forest's people to build an integrated, supportive and safe community where every resident and local organisation is empowered to lead change that makes Waltham Forest a better place to live.

Local Heroes

1528

Acts of kindness

Pledge

Inspiring others to do something positive by shining a light
on our local heroes

I pledge to do a random act of kindness in Waltham Forest
